

Version 1.0
dhftn.github.io

The diagram illustrates the relationship between Armor Class (AC) and Hit Points (HP). On the left, a blue-bordered box labeled 'ARMOR CLASS' is divided into two sections: 'without shield' (top) and 'current' (bottom). A blue diamond icon with a shield symbol is positioned between these two sections. On the right, a green-bordered box labeled 'HIT POINTS' is divided into two sections: 'temp.' (top) and 'current' (bottom). A green diamond icon with a heart and pulse line symbol is positioned between these two sections. A diagonal line separates the two boxes, and a horizontal line connects the 'current' sections of both.

⑥

The diagram shows three teal boxes at the top, each with a white icon and text. The first box contains a pencil icon and the text 'SPELL ATT. BONUS'. The second box contains a hand icon and the text 'SPELL SAVE DC'. The third box contains a black square with a white hash symbol '#'. Below each box is a white line that connects to a corresponding box in the bottom row. The bottom row has three boxes: a teal box with a white pencil icon and the text 'SPELL ATTACK BONUS', a teal box with a white hand icon and the text 'SPELL SAVE DC', and a black box with a white hash symbol '#'. The lines connect the top boxes to the bottom boxes in a 1:1 ratio.
